BAUNOW core aspect**

=

RES and EE & Energy transition as development opportunity

Laudato Si & Green Transition

"Everything is interconnected — and this connection calls us to a path of conversion."

— Laudato Si, §119

- Published in 2015: the first papal encyclical dedicated entirely to the environment and social justice
- Central concept: integral ecology "the inseparability of care for creation and care for the most vulnerable"
- Calls for a transition that is both ecological and socially just, leaving no community behind
- Provides the ethical and spiritual foundation for the Borgo's work and the Centre's mission
