LOCAL CAPACITY BUILDING ACTIVITIES

Next Events:

22nd of June – Policy makers, local authorities and academia

30th of June - Farmers

Main conclusions:

- **Need to be more energy efficient;**
- **Need to change legislation and regulatory issues;**
- **Unreasonable investment for a seasonal use;**
- **Lack of space to install the solar panels;**
- **Lack of energy efficiency literacy.**
- **Robbery concern.**
