Euro-MED

Framework

4 interconnected and complementary missions to reach climate-neutral and resilient society

Interreg Euro-MED's missions: a comprehensive approach

Strengthening an innovative sustainable economy

Protecting, restoring and valorising the natural environment and heritage

Promoting green living areas

Enhancing sustainable tourism

Interreg
Euro-MED
Co-funded by the European Union

Mission Strengthening an innovative sustainable economy

- support **transnational cooperation of 4 helix** stakeholders
- favour increased **innovation activities, services and** organisational **patterns** towards **circularity**

- encourage the uptake of **sustainable production and consumption practices**
- improve co-implementation and **coordination** with **Regional Smart Specialization Strategies (RIS3)**

Mission

Protecting, restoring and valorising the natural environment and heritage

- promote **climate change mitigation and adaptation** measures
- restore **degraded ecosystems** on land and at sea

- boost the **connection of natural ecosystems** at transnational level
- valorise **economic and social value of biodiversity**

Mission Promoting green living areas

- act on the negative impacts of **urban activities**
- facilitate **energy transition**

- improve **territories' resilience** to the effects of climate change
- promote **citizens' involvement** in green transition

Mission Enhancing sustainable tourism

- integrate **tourism in circular economy**
- contribute to **environmental neutral tourism**

- improve **sustainability of ecosystem services**
- preserve **natural resources and cultural heritage**
